P J's Sauvignon Blanc 2009

Sauvignon Blanc is a wine to be fresh and crisp.

Aromas of freshly mown grass rising up between the vines, with their imposing vibrant green leaves which follow the unruly trailing canes descending from the more disciplined vine rows.

The green apple freshness characterizing this wine lends itself as a refreshing accompaniment to light food or light banter with friends.

Practically speaking oysters, lemon grass flavored chicken, crackers and cheese or bell pepper salads will all be enhanced by taking time to savour this wine
